Someone add a scenario in which you must chose what you would do. The next person will reply and come up with another scenario.

Chapter 2 by Luna

You are stuck in a room with a bunch of murderers. You are bound to a chair with rope and the only thing that you have on you is a match.

You could:

- A. Set fire to the rope, burning and/or possibly killing yourself in the process.
- B. Light the match and throw it at one of the murderers, hoping they catch on fire quickly.
- C. Throw it in the corner of the room and die alongside of all the murderers.

Chapter 3 by -

- A. I would rather die in an attempt to burn the rope, than be killed by criminals.

You are to be the captain of a ship with a bunch of men. Given three choices, to meet your death.
